In the published version of this paper (available at <http://aclweb.org/anthology/D17-1177>), page 3, Algorithm 2, the line “ $\mathbf{u} = \mathbf{u} - \tau(\hat{\mathbf{y}} - \hat{\mathbf{z}})$ ” should be “ $\mathbf{u} = \mathbf{u} + \tau(\hat{\mathbf{y}} - \hat{\mathbf{z}})$ ”. This error has been fixed in the version available in arXiv and the last author’s homepage.

The same error appears in the poster.

We apologize for this error.
